Donation to Fermilab Friends for Science Education

Use this form if you would like to donate to FFSE, but not become a member.
Join, renew, or donate online at fermilabfriends.org with a bankcard or PayPal, or use this form.

Your donation or membership allows FFSE to create and sustain new, innovative science and STEM education programs and events, making the best use of unique Fermilab resources.

Donations are tax deductible as allowable by law. Make checks payable to Fermilab Friends for Science Education. Please send form and check to: Fermilab Friends for Science Education, 121 N. Jackson St., Batavia, IL 60510.

General Fund

I donate \$ _____ to the general fund.

Scholarship Fund

I include an additional \$ _____ to the scholarship fund that provides scholarships to:

- Schools to cover the cost of bus transportation to Fermilab for a field trip. The cost averages about \$200.
- Teachers to cover costs of educational workshops. The cost averages about \$200.
- Families to cover the cost of science/STEM informal classes. The cost averages about \$50.

Tree of Knowledge

I donate \$ _____ for the Tree of Knowledge. \$1,000.00 minimum.

The Tree of Knowledge is an unusual opportunity to perpetuate your name or a name designated by you, or as a memorial to a special event, honor or personal or family happening. The Tree of Knowledge is located at the Fermilab Lederman Science Center. Your important contribution will help sustain programs and events of Fermilab Friends for Science Education. Memberships and donations are tax deductible as allowable by law.
